Dr Ken Fenwick B.Sc., D.C., is a hands on Chiropractor on the Bruce Peninsula with offices in Wiarton and Lion's Head, Ontario. He graduated from the Canadian Memorial Chiropractic College in Toronto in 1985 and has a background in Kinesiology and General Science from the University of Waterloo.

Dr. Fenwick practices the universally recognized hands-on manual Diversified Chiropractic Technique that incorporates a wide array of techniques. He is a **hands on adjustor** who uses spinal manipulation, extremity adjusting (arms, legs, ankles, feet, hands, elbows and shoulders), trigger point therapy, cranial moulding, muscle balancing, stretching, Laser Therapy and nutrition in his practice.

Chiropractic without the gimmicks.

Maintain your Health; you will thank yourself .

Expect your initial experience to be comprehensive. Set aside 30-45 minutes as you will be asked to provide a detailed history and have a physical/biomechanical/neurological examination. To streamline your first visit, Initial Patient History forms may be accessed on this site under **Patient Forms**, at your left. Please fill out both pages and bring a list of any medications you take.
