### **Chiropractic without the gimmicks.**

#### **Maintain your Health; you will thank yourself .**

Expect your initial experience to be comprehensive. Set aside 30-45 minutes as you will be asked to provide a detailed history and have a physical/biomechanical/neurological examination. To streamline your first visit, Initial Patient History forms may be accessed on this site under **Patient Forms**, at your left. Please fill out both pages and bring a list of any medications you take.
